Dear Sirs / Madam,

FINAL APPROVAL FOR COMMENCEMENT OF EARTHWORKS

1. We refer to –
 - (a) the NCE submitted by _____ (the “Contractor”) to Flag Telecom Singapore Private Limited (the “Licensee”) as referenced above;
 - (b) the Joint Trial Holes Inspection conducted on _____ by the Contractor, the TCDW and the Licensee; and
 - (c) the “Application for Final Approval for Commencement of Earthworks” submitted by the Contractor to the Licensee dated _____.
2. Based on the information, declarations, confirmations and undertakings provided by the Contractor to the Licensee as set out in its NCE submission and “Application for Final Approval for Commencement of Earthworks” and subject to paragraph 3 below, the Licensee hereby grant its approval for the Contractor to proceed with the earthworks as notified in the NCE.
3. In carrying out the earthworks, the Contractor shall –
 - (a) provide a copy of this “Final Approval for Commencement of Earthworks” to the party who is instructing or supervising the Contractor in the performance of the proposed earthworks (as notified in the NCE);
 - (b) strictly comply with all requirements stated in the document titled “Requirements to be Complied with by Earthworks Contractors for the Prevention of Damage to Telecommunication Cables” issued by the Licensee (“Licensee’s Earthworks Requirements”), including but not limited to the “Do’s and Don’ts” specified in Section C of the Licensee’s Earthworks Requirements; and
 - (c) ensure that the Contractor implements all the protection measures and methods of support stated in its “Application for Final Approval for Commencement of Earthworks” to protect the Licensee’s telecommunication cables from damage.

011B – Final Approval For Commencement Of Earthworks

4. The Contractor is reminded of its statutory duties under Sections 29, 32 and 49 of the Telecommunications Act (Cap.323), extracts of which are attached at **Annex A** hereto.
5. Should you require any clarifications, please contact the undersigned at +65 6498 6728.
